MANIFESTIAMO

Materiali per creare
manifesti e ipertesti
sulla sostenibilità

COME USARE I MATERIALI PRESENTI IN QUESTO DOCUMENTO

TEXTURE

Se desiderate mettere uno sfondo sul vostro manifesto, potete scegliere tra queste texture.

01. scegli la texture che preferisci tra quelle proposte. Stampa 6 fogli in formato A4 (il più comune tra le stampanti che puoi trovare a scuola o a casa)
02. rifila le pagine che hai stampato aiutandoti con i “crocini” (quei segni neri agli angoli delle texture ti aiutano a tagliare dritto con l’ausilio di una riga e un taglierino)
03. unisci con lo scotch i fogli in modo da formare un grande sfondo uniforme.
Puoi usare un unico grande cartoncino come base per rendere il manifesto più resistente

Adesso hai una base pronta per il tuo manifesto!

ICONE

Le icone vi possono essere utili per comporre la parte visiva del manifesto in modo chiaro e comprensibile. Attenzione alla composizione! Siate sempre il più possibile chiari e diretti!

01. Scegliete i soggetti più utili a costruire il manifesto che avete ideato nella fase di brainstorming (potete anche sfogliare le immagini di questo documento per avere spunti, idee, suggestioni per il vostro progetto!)
02. stampateli in tutte le copie necessarie, ritagliateli, colorateli e posizionate sul manifesto in base al vostro progetto

Il manifesto è pronto. Non vi resta che diffonderlo!

INVENTA LE TUE TEXTURE E LE TUE ICONE

I materiali che trovi in queste pagine sono dei suggerimenti e possono essere d’aiuto, ma potete sempre inventare nuove texture e icone che raccontino più efficacemente quello che il vostro manifesto vuole comunicare.

STAMPA SOLO I MATERIALI DI CUI HAI VERAMENTE BISOGNO

Questo documento è composto da centinaia di pagine, ma non serve stamparlo tutto per scegliere le immagini da usare.

Fai la tua scelta direttamente al computer e stampa solo lo stretto necessario. La riduzione dei rifiuti e dell’uso delle risorse disponibili è un elemento centrale del progetto non solo del manifesto che state disegnando.
